

Cedar Hill Holds 47th Annual Antique Car Show

Cedar Hill Continuing Care Community held its 47th annual Father's Day Car Show for residents and their families this past weekend. Above left, Everett Stanton is in his fully restored 1939 Oldsmobile, while Carol Howard's 1947 Chevrolet pickup "TWEETY", with its bright yellow finish attracted lots of attention. Above, the 1934 Plymouth PE Coupe, owned by Dennis White, brought back lots of memories for residents who said that they hadn't seen some of these cars in a long while. Some of those who came out to see the classic autos watch as Carol Howard of Charlestown, NH pulls away at the end of the show.
